CSTS 2020 – FREE

Alberta Construction Safety Association has extended the offering of CSTS 2020 online for no charge at their website- www.youracsa.ca - for anyone to become certified. When creating an account on ACSA, be sure to put your division as "United Assoc Journeyman & Apprentices Plumbing ETA" you can confirm this is the correct title by checking that the division ID is "240518". The new CSTS 2020 - Fundamentals certification is replacing the CSTS 2009 program and is only offered online. The Fundamentals portion of CSTS 2020 comprises of 9 modules including WHIMIS 2015. After completing the Fundamentals portion of CSTS 2020, there are many optional modules offered. UA Local 488 is recommending UA Local 488 members obtain certification in all the extra modules as many job sites are starting to require the Fundamental certification and various optional modules. Once the UA Local 488 member obtains all of their CSTS 2020 certifications, please email copies of your tickets to safety@ept488.ca and they will be added to your profile on the safety database.

Steps to take:

1. UA Local 488 member will go to the ACSA website at www.youracsa.ca to take the course. If anyone has any problem with getting on the program, completing the program or printing tickets, please contact ACSA directly at 1-800-661-2272 and they can help you through their program.
2. Upon completion, UA Local 488 member will email copies of all printed tickets to safety@ept488.ca so the certifications are entered into the Safety Database for the member

CSTS 2020 Course Benefit Policy

Due to the fact that CSTS 2020 has been offered for free since January 1, 2020 for our members to take, this course will not qualify for reimbursement if there is a charge attached to the CSTS 2020 certification in 2022. Please take the time before the website starts charging to obtain your certification and send the tickets to safety@ept488.ca

PIPELINE CONSTRUCTION SAFETY TRAINING – PCST

UA Local 488 members working in the Pipeline industry will be required to have a current Pipeline Construction Safety Training certification.

Steps to take:

1. UA Local 488 member will submit an email request for PCST certification to safety@ept488.ca.
The request MUST include your first name, last name and UA card number.
2. EPT will respond with an email giving the website to take the course and a PIN to offset the cost of the course
3. Member will submit certification to safety@ept488.ca so the credential will be added to member's profile in the database.

EPT is pleased to announce we are now able to remit payments electronically via online banking and Direct Deposit (Electronic Funds Transfer - EFT) for Work Ready Workforce Safety benefits and Apprentice Scholarship benefits.

This new service will reduce the possibility of fraud from lost or misdirected cheques and eliminate the uncertainties associated with the timing of payments, as you will know exactly when your funds will be transferred. The transfer dates for all EFT's will be the 1st and 15th day of every month.
