

# Children's Christmas Party

**Sunday, December 6, 2020**

## **Important Announcement**

The Entertainment Committee's number one priority during COVID is to ensure the safety of all members.

In order to ensure everyone's safety, the Entertainment Committee and Local 488, have made the decision to **mail out gifts to all members who registered** instead of coming to the hall for pickup. Please do not come to the hall on Sunday as we will not be able to provide gifts.

If members have any concerns, please contact the Entertainment Committee at [entertainment.committee@local488.ca](mailto:entertainment.committee@local488.ca)
