

AWP & WFP Fundamentals Course Alberta Pipe Trades College

The Alberta Pipe Trades College (APTC) will be running an Advanced Work Packaging (AWP) and Workface Planning (WFP) Fundamentals Course June 25 - 29, 2018.

This program is 40 hours in duration and is intended for individuals that will be developing or implementing facets of the Advanced Work Packaging and WorkFace Planning program within a project or organization. This course may benefit those interested in improving their knowledge and understanding of these industry best practices. This course is a prerequisite to obtaining a WFP certification.

Pre-Requisites: Students are required to bring a laptop to class each day. Students are also encouraged to watch AWP prior to the first day of class. This video can be found here:
