

**JUNE 2020**

“Notes from Dispatch”

We are in unprecedented times.

For the most part, dispatching online is going well, but it could be better.

Due to some changes with our online dispatch, you must now create an account to be able to apply for a job if you haven't already done so. You are now eligible to apply for 6 jobs instead of 2.

While you are waiting to get a slip, please make sure all your Work Ready Work Force tickets are up to date, and we have it in the system.

Safety certificates that have expiry dates of January 1<sup>st</sup> or later have been extended to September 01.

Contact Chris in Education to get your certificates posted -780-488-1266.

Also, please ensure that your contact information is current (phone numbers and email address), and dues are paid up to date.

Please call the Main Office @ 780-452-7080 to update your contact info.

Fraternally,

Rob Rankin

Ken Klassen

Dispatchers
