

## **Instrument Fitter Course Alberta Pipe Trades College**

The Alberta Pipe Trades College (APTC) will be running two Instrument Fitter courses in May. Registration is now open for the following dates:

- May 7 – 11, 2018
- May 14 – 18, 2018

**Course Description:** This course is designed to give the student an understanding of how to build a complete instrument installation system from transmitter to tap point, from header to end-user. The course will teach students how to construct tubing raceway with the installation of both tubing and tubing bundle and the installation of the instruments themselves.

**Classes run from Monday to Friday - 8:00 am to 4:00 pm**

**FEE:** \$200.00

**PRE-REQUISITES:** Minimum 2nd year Steamfitter-Pipefitter and a minimum of four (4) registered students

**\*Please note there is a PPE Requirement for this course: CSA boots, gloves, safety glasses and a long sleeve shirt.**

If you are interested in this course offering, please contact the Registrar at (780) 482- 9529.
