

Brothers and sisters an important message from your Political Action Committee

The Political Action and Education Committee (PAC) has an email address pac@local488.ca, which will be used for direct communications with our membership. If you have information or questions for the Committee, please reach out to us through this email address.

The PAC Committee believes it is crucial to notify members on the dates and locations of important rallies opposing Anti Union policies Register your email and or cellphone number for direct communication by contacting our office at 780 452 7080.

To have our voice heard in Government, we encourage our members to purchase membership cards for each political party so we can vote on policies which affect Unionized Labour such as Bill 32 and Bill 47 for example. Our members can also send their feelings to premier@gov.ab.ca or www.assembly.ab.ca.

The PAC Committee would also like to educate members on existing legislation that attacks Unionized workers and how to contribute to a solution such as the www.standuptokenney.ca initiative out there. You can look up new and proposed legislation here <https://www.alberta.ca/new-proposed-legislation.aspx>.

Here is a Quote from Theodore Roosevelt

- “Complaining about a problem without posing a solution is call whining.”

Get involved!!!
