

Canadian Piping Trades®

## Greetings Members,

### **SUNCOR'S 2021 SPRING TURNAROUND EVENT WEBSITE NOW AVAILABLE**

We would like to share with everyone that Suncor now has the 2021 Spring Turnaround Event website live on [www.Suncor.com](http://www.Suncor.com). The site has been created to help facilitate skilled trades to identify some of the vendors they will be using as well as the lodges and Covid precautions they will have activated while working there. There are both English and French versions linked to the website below:

The social media campaign has also been activated as of today and Suncor Energy has distributed posts from the following social media platforms- Twitter, LinkedIn and Facebook.

Please take the time to share broadly as they attempt to get the word out to skilled trades across the country of the exciting work opportunities there are available in the Wood Buffalo Region. Thanks so much for your help and support in making the 2021 events successful.

**Fraternaly yours,** Local 488 Management & Staff
