Greetings Sisters & Brothers,

After much discussion, we are happy to announce we are moving forward with a live, virtual General Meeting via Zoom scheduled for 9:00 am MST on Saturday, March 27, 2021.

More details will follow which will be emailed to all members March 12, 2021. Please ensure you have the correct email address on file with us and make sure to check your junk mail if you do not receive the email.

As this will be our first foray with a live Zoom event, your patience is greatly appreciated as we work through navigating these uncharted waters!
