

# **Fallen Workers' memorial brutally vandalized**

## **\$5,000 reward for information**

On Saturday, Jan. 25 at 7:30 p.m., disturbing acts of vandalism were committed at UA Local 488 against a memorial honouring our sisters and brothers who died on the job.

The vandal then proceeded to smash out glass doors and around 20 windows in the main office of UA 488, costing more than \$25,000 hard-earned dollars to replace.

Following the senseless vandalism at UA 488, the individual proceeded to smash out a front door window at the Building Trades of Alberta office.

Therefore, UA Local 488 and BTA are offering a \$5,000 reward for information leading to the arrest and conviction of the guilty person.

This person is no friend of hard-working people or a Union. The destruction caused by this person is an insult to every member and a completely unnecessary waste of members' money.
